

# In the Privacy of Your Own Heart...

As you meditate on what you've learned about being a believer, answer these questions in the privacy of your own heart:

*(And remember, dig deep)*

- Before this lesson, what did you think salvation was?
  - Did you think it was a “Get-to-Heaven-free” pass, or did you think it was more?
- Now that you heard this lesson, what do you perceive salvation to be?
- How will you access your *Sozo Package*?
  - How will you access all that Jesus has provided to you through His death, burial, and resurrection?
  - How will you access all that belongs to you now that you are saved?
  - As you access these things, what changes do you expect to see in your life?
